

CATCH-IT LOG-IT APP SUITE

FISHER APP

WHY USE THE APP?

VENDOR APP

Consider this to be your personal catch log. Know how you perform in your specific fishery. Compare your rank with others.

OVERVIEW

Get rid of the paper log books and report your fish purchase electronically. Keep your records for future use.

Contribute to the science used to manage your fisheries. Let your voice be heard. Every pound caught matters.

PERFORMANCE

Your business contributes to the local economy. Be counted as a responsible business that safeguards market stability.

Access a near-real-time summary of your fishing data. Get hints on how your sales price compares with the market average.

FEATURES

Access a near-real-time summary of your fish purchase data and decision tools for pricing their fish.

Submit your data confidentially through a secured web-based system.

SECURITY

Organize your fish purchase records easily and confidentially. Dashboard allows quick evaluations of market performance.

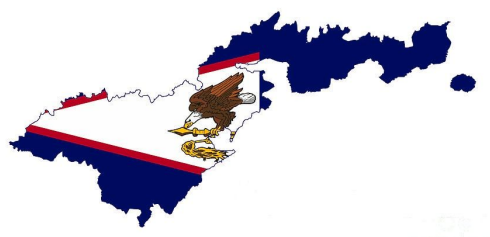

Best of all, IT'S FREE!
